Staff cockpit, CRM, programs & health scores
- 04** **Mentor Guide**
NDA, assigned startups & session logging
- 05** **Admin / Backoffice**
User management, spaces & governance

01 Getting Started

1

Access the Platform

Navigate to the FoundersBook URL provided by your organization.

2

Sign Up or Log In

Click "Registrar" for a new account or "Entrar" to sign in with your credentials.

3

Email Verification

Confirm your email address via the verification link sent to your inbox.

4

Workspace Selection

After login, select your startup workspace from the list.

5

Language Toggle

Switch between Portuguese and English using the globe icon (top-right).

02

Founder Guide

Your startup command center

Founder Dashboard

Your central hub showing workspace health at a glance.

Health Score

Real-time composite score based on KPI submissions, milestone progress and check-in compliance.

Active Milestones

Track your current program milestones with progress bars, due dates and status indicators.

Action Items

Pending tasks from sessions and playbooks. Filter by priority, status or assigned owner.

KPI Trends

Weekly charts showing your key performance indicators compared to targets.

Milestones & Playbooks

Program Playbook

Follow your assigned playbook with structured phases. Each phase contains milestones with clear deliverables.

Milestone Tracking

Update milestone status (Not Started → In Progress → Complete). Attach evidence and notes.

Action Items

Each milestone generates action items. Track completion, set priorities, and assign team members.

Timeline View

Visualize your journey across program phases with a Gantt-like timeline.

Mentors & Support

Your Consultant

See your assigned consultant with a direct message button always visible on your dashboard.

Mentor Gallery

Browse all approved mentors by expertise area. View profiles, LinkedIn links and availability.

Request a Mentor

Submit a mentor request. An admin reviews and approves the assignment.

Book Sessions

Schedule meetings with your mentor or consultant directly from the platform.

Direct Messaging

Contact your mentor or consultant instantly via the built-in messaging system.

Data Room & Documents

Document Library

Upload and organize pitch decks, financial models, legal docs and more.

Share Links

Generate secure, time-limited share links for investors with download controls.

Financial Models

Upload spreadsheets for AI-powered analysis and scenario comparison.

Investor Updates

Create and share periodic updates with key metrics and highlights.

03

Consultant Guide

Portfolio oversight & startup
acceleration

Staff Cockpit

A bird's-eye view of every startup in your portfolio.

Portfolio Overview

See all assigned startups with health scores, program stage and key metrics at a glance.

Quick Actions

Jump into any workspace, schedule sessions or review pending action items.

Upcoming Sessions

Calendar of scheduled sessions across all your startups.

Alerts & Reminders

Notifications for overdue milestones, missing check-ins and contract renewals.

CRM & Pipeline

Kanban Board

Drag-and-drop leads across stages: Lead → Qualified → Proposal → Negotiation → Won/Lost.

Lead Management

Add contacts, organizations and deal values. Track win probability and expected close dates.

Communication Log

All emails, calls and notes automatically linked to CRM entries.

Conversion Tracking

Convert won deals into workspace startups with one click.

Programs & Playbooks

Program Setup

Create incubation/acceleration programs with custom stages, KPI templates and playbooks.

Playbook Builder

Define structured phases with milestones. Assign playbooks to startups for guided execution.

Weekly Check-ins

Configure check-in questions and KPI collection. Monitor compliance across cohorts.

Benchmark Dashboard

Compare startup performance across programs with aggregated KPI benchmarks.

04

Mentor Guide

Share expertise & accelerate
founders

Mentor Workflow

1

Registration & NDA

Sign up on the platform. You'll be asked to accept an NDA before accessing startup data.

2

Profile & Expertise

Complete your profile with photo, LinkedIn URL and areas of expertise. This populates the Mentor Gallery.

3

Assignment

Admin approves your mentorship requests. You'll see assigned startups in your dashboard.

4

Session Logging

After each session, log notes, duration and action items generated.

5

Messaging

Founders can reach you directly. Respond via the built-in messaging system.

A person with short dark hair and glasses is seen from the side, sitting at a desk and looking at several computer monitors. The monitors display various data visualizations, including line graphs, bar charts, and circular gauges. The scene is dimly lit with a blue tint. The person's right hand is on a mouse.

05

Admin / Backoffice

Platform governance & operations

Platform Management

User & Role Management

Invite users, assign roles (Founder, Consultant, Mentor, Admin). Manage workspace memberships.

Program Administration

Create and configure programs, stages, KPI templates and playbook structures.

Office Space Management

Manage buildings, floors and office assignments. Upload floor maps and track occupancy.

Contract Intake

Review and approve contract applications. Route intakes to consultants automatically.

Announcements

Broadcast announcements to all users or specific buildings. Track read status.
